Sir,

I have the honor to state, that an extra conservancy establishment was maintained as a temporary measure at Seringapatam during the prevalence of Plague in 1900-1901 (vide statement enclosed). As funds were not available in the Municipality, a reference was made to the Plague Commissioner to sanction expenditure from Plague Funds. But the Plague Commissioner in his docket No 2092 dated 14th November addressed

addressed to the Deputy Commissioner Mysore, informed that the expenditure in question was a proper charge on municipal funds, and as such, it could not be sanctioned from Plague funds, and that if necessary advance would be given from Plague funds on condition that it should be repaid within a year. The expenditure had thus to be met from the municipal Imprest which has to be recouped now. I request therefore that you will be so good as to obtain the early sanction of Government to the said expenditure already incurred. It may be met from the closing balance of Rupees 4143 of the municipality for the current year and will be provided for in the supplemental Budget to be submitted shortly.

I have the honor, to be,
Sir,
your most obedient servant
